

Poster Session

Call for Posters, Abstracts Rules and Registration

The 2006 AWAG Conference Poster Session gives conference participants a way to share their research, program, or outreach activities. We learn from each other's knowledge and experience. Government agencies, non-profit groups, watershed teams, students, and educators may exhibit technical or general communication posters detailing activities in the watersheds of Arkansas or surrounding states. *We are not accepting vendor booths that advertise products or services.*

Posters will be judged and AWAG will award a "Best of Show – Community Category", "Best of Show – Technical Category", and "People's Choice" to three displays during the awards luncheon on Saturday, November 4, 2006.

REGISTER NOW for the Poster Session. Space is limited. Deadline is October 13, 2006.

- (1) Register for the Watershed Conference.
