

AWAG/Stream Team Poster Session Form

The 2008 AWAG Conference gives conference participants a way to share your research, program, or outreach activity. We learn from each other's knowledge and experience. Government agencies, non-profit groups, watershed teams, students, and educators may exhibit technical or general communication posters detailing activities in the watersheds of Arkansas or surrounding states. We are not accepting vendor booths that advertise products or services.

AWAG will award a "Best of Show – Community Category", "Best of Show – Technical Category", and "People's Choice" to three displays during the awards luncheon on Saturday, November 1, 2008.

REGISTER NOW for the Poster Session. Space is limited. Deadline is September 30, 2008.
